

Good Results for Arinos and Donut

Arinos ran third in the Listed Oakbank stakes on Saturday 23 April. Blocked badly for a run in the home straight Michelle's and my big Akhadan gelding flew home for third, given better luck he would have finished much closer. Currently he has been nominated for the Group 1 Goodwood Handicap on Sunday May 8th.

Â Â Arinos at his last win in Adelaide

Â Our luck changed on 27th of April at Strahalbyn, where a change in training approach and bad luck for the stablemate saw Donut record his first win. He was subsequently sold to race in the Northern Territory.
